

DECLARATIONS

Pray/Declarations over the war in Israel.

We declare and decree the blood of Jesus covers Jerusalem, and all Israel (Psalm 122:6). We decree that the enemy will fall just like Goliath and what the enemy meant for evil God will turn for good (Romans 8:28). All Israel will be saved, and revival will cover the land. We declare peace over Jerusalem. That they would prosper, and God's peace would cover them. There will be peace within their walls and prosperity within their palaces (Psalm 122). That all the enemies of Israel will turn to Jesus.

Pray/Declarations over the Supreme Court

We decree and declare that strength will come to our highest courts and that the scales of justice will be equally weighted. We bind the supernatural forces of darkness that would try to bring in a communistic, woke agenda in American institutions by claiming their activities support the rights of all people.

We decree and declare any socialist movement to be destroyed and we do not give centralized control over any one part of the culture--education, social media, arts and entertainment, business, government, church and science and technology. Righteousness and justice are the foundation of God's throne (Psalm 89:14). America is secure, and the Supreme Court aligns its decisions with the Word of God. Godly purposes are being established through the Supreme Court and our government.

Prayer/Declarations Regarding COP 28

We decree that the agenda of the global elite is destroyed, and we bind them from having any jurisdiction over the World, the United States, or individuals. We will not be controlled or partnered with these entities that are moving toward a one world government agenda. We decree and declare that the Body of Christ is awakened and uses their authority and the keys of the kingdom of heaven given to us by the Lord Jesus Christ (Matthew 16:19) to break the agreement of the COP 28 Covenant trying to be established on Dec 12th. We destroy the plans of the communist agenda for a one world government. We speak confusion into the enemy's camp. That it would be divided against itself and will not stand (Psalm 55:9). We decree the Church's eyes would be open to see the evil behind the curtain. (Ephesians 1:18)

Prayer/Declarations over terrorism on US Soil

Heavenly Father, we are Your children saved by the blood of Jesus Christ, we come boldly to Your throne of grace to request help in our time of need (Hebrews 4:16). Our enemies have declared evil and destruction to all nations in support of your chosen people Israel. There are over 100 scriptures that declare Your promises to protect Israel and those who bless Israel. Psalm 138:7 is one of those scriptures. "Though I walk in the midst of trouble, You preserve my life; You stretch out Your hand against the wrath of my enemies, and Your right hand delivers me." Thank you for that promise. We pray for our military and first responders to have wisdom, strategy, and supernatural intel to combat and dispel all terrorism activity on US soil. You are Jehovah Nissi, the Lord our banner of victory over terrorism in Jesus' name.

Prayer/Declarations of Protection over the US

1 Timothy 2:1-3 "I urge, then, first of all, that petitions, prayers, intercession, and thanksgiving be made for all people — **2** for kings and all those in authority, that we may live peaceful and quiet lives in all godliness and holiness. **3** This is good, and pleases God our Savior,"

Father, according to Your word we pray for the United States of America. That our leaders have the wisdom to protect our nation from your enemies domestic and foreign. Psalm 91 is one promise of Your protection. We declare peace and protection in the midst of the storm so that those who look to you will be saved. Help us to be a light for those you are drawing to yourself. May they see your peace, protection, favor, and blessing upon us and glorify You. We ask for Your help to bring the lost into the secret place of the Most High, under the shadow of the Almighty to experience Your protection. (Psalm 91)

Thank you for equipping us to go on the offense not cowering in fear. Psalm 140:7 says, "O Sovereign LORD, the strong one who rescued me, you protected me on the day of battle." We pray for protection over all US military personnel deployed into battles around the world now and in the days ahead in Jesus' name.
